

● 5700K Day Light

LED Rated Wattage:

Flood light: 2.5/5/9/12W

Street light: 2.5/5/9/12W

- Efficacy: 120lm/W
- CRI: >80, Beam angle 120D
- >2 Rainy days consistent working
- IP65, IK08

• **Smart light control:**

- Timing control : Five-stage dimming mode ensures maximum battery lifespan
- Remote control: on/off, auto control, brightness adjust, Timing shutdown
- Automatic dusk to dawn on/off function

• **Long life, reliable:**

- Robust Solar panel, Safe , stable and highly recyclable LIFEPO Battery , Top quality LED chip, Die-casting aluminum housing and High strength performance tempered glass

• **Weather proof:**

- Wide applicable temperature range, -10~50°C, IP65, IK08.
