## GDFR-500WP

### Futures

- Total no frost
- Intelligent inverter technology
- Electronic temperature control
- LED display
- Stylish interior LED light
- Large storage capacity
- External handle
- Removable bottle rack
- Energy-saving
- Low noise
- Rotary ice box (optional)
- PCM&VCM& glass (optional)

Model	Total Effective Volume (l/cu.ft)	Fridge Volume (l/cu.ft)	Freezer Volume (l/cu.ft)	Climate	Freezing Capacity (kg/24h)	Product Dimension (W*D*Hmm)	Packing Dimension (W*D*Hmm)	Net/Gross Weight (kg)	Loading Capacity (40Hz)

## NEW Star Model ★

### Features

- Total no frost
- With electricity failure (power off) memory function
- Big external handles
- Removable bottle rack
- Stylish interior LED light
- Intelligent inverter compressor
- With ion dedorization system
- 90° right-angle door-opening design
- Electronic temperature control with LED display
- T3 Climate
- Built in condenser
- White PCM and Stainless Steel door optional
- High energy class, low consumption
- Large storage capacity
